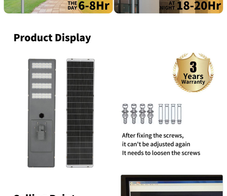
Monocrystalline Solar Panel

- Use waterproof PWE flusher valve controller, charging efficiency is as high as 17%.
- Equipped with waterproof IP66 silica gel lamp base, strong and durable

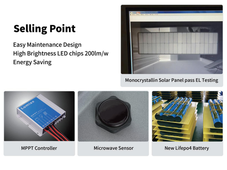
Adjustable Installation Angle

Adjustable installation design, the lamp can be installed on straight poles or bent poles.

2 Installation Methods:



Product Display



After fixing the screws, it can't be adjusted again It needs to loosen the screws

Selling Point

Easy Maintenance Design
High Brightness LED chips 200lm/w
Energy Saving

Monocrystallin Solar Panel pass EL Testing

MPPT Controller | Microwave Sensor | New LiFepo4 Battery

Product Parameters

SOLAR LED STREET LIGHT KC-IR-TN129

MODEL	Solar Panel	Battery	Lumen Efficiency	Total Lumen	Product Size	Warranty
KC-IR-40W	18V/40W	3.2V /45Ah	200lm/w	4000lm	787*335*150mm	3 Years
KC-IR-60W	18V/60W	12.8V /15Ah	200lm/w	6000lm	1025*335*150mm	3 Years
KC-IR-80W	18V/80W	12.8V /16Ah	200lm/w	8000lm	1325*335*150mm	3 Years
